PROFILE

2nd-year Communications HCI student blending Unit 8200 project management experience with hands-on UI/UX community leadership. Passionate about user-centric design, AI workflows, and solving complex product challenges.

EXPERIENCE

MANAGER OF UX/UI STUDENT CLUB | REICHMAN UNIVERSITY | 2024 – PRESENT

- **Community & Strategy:** Leading a 40+ student community, fostering engagement through networking.
- **Design & Content:** Crafting visual identity and marketing strategy; designing social media assets using Figma.
- **Workshops & Production:** Facilitating UX/UI workshops and managing end-to-end production for weekly industry meetups.

OPERATIONS & LOGISTICS MANAGER (RESERVES) | IDF | 2023 – PRESENT

- Managing large-scale supply chains and rapid decision-making under high-pressure reserve service.

DIGITAL PROCUREMENT & TECH OPERATIONS | UNIT 8200 | 2021 – 2022

- Led multi-million NIS tech procurement projects, coordinating between senior command, R&D, and vendors.
- Implemented resource management models aligning tech solutions with organizational strategy.

ASSISTANT TO OPERATIONS COMMANDER | UNIT 8200 | 2018 – 2021

- Awarded "Outstanding Soldier" for managing complex HQ operations and critical cross-functional tech interfaces.

PROJECTS

UX/UI CLUB APP | PRODUCT LEAD

- Led the digital transformation of club registration, creating a centralized platform to replace physical fairs.
- Co-authored PRD, defined IA, and managed a design team to deliver a frictionless user flow.

CHEF & DINE | END-TO-END MOBILE APP DESIGN

- Designed a premium restaurant app in Figma, building a complete 5-screen interactive prototype.
- Developed a scalable design system using components/variants, streamlining the reservation UX.

CANDLE&CO | E-COMMERCE WEBSITE

- Built a responsive e-commerce website on Wix, transitioning manual sales to a mobile-first digital catalog.

EDUCATION

B.A. IN COMMUNICATIONS, HCI SPECIALIZATION | REICHMAN UNIVERSITY | 2024 – PRESENT

- **COURSEWORK:** UI/UX DESIGN, USER EXPERIENCE, CONTENT STRATEGY, DIGITAL TRENDS.

SKILLS

- **Design & Research:** Figma, UI/UX Principles, Wireframing, Prototyping, Design Systems.
- **Product & Tech:** Generative AI workflows, Content Creation, SAP ERP, Wix.
